

Dear Parents/carers,

Year One is now well under way and the children have settled into routines well.

Here are some sheets to help support your child at home:

Correct letter formation of letters and numbers, which will help with fluency and joined writing

Blank handwriting lines to help practise correct letter and number formation

100 Square to help counting and number recognition

We hope you find these useful. Please ask if you require any additional sheets.

Thank you,

Year One Team
